The information supplied by your child or ward or you (in your capacity as parent or guardian) on this form is required by the University of Sydney to assess your child's or ward's application for the Indigenous Australian Engineering School. The supply of the information is not mandatory but if not supplied, the University may be unable to process the application. The information will be held in the University of Sydney's engineering faculty. If consent is provided below, it will be shared with Engineering Aid Australia and its sponsors. You have the right to access and correct personal information held by the University. For further information contact the IAES Coordinator, whose details are shown below.

Consent for photography/video/audio

By signing below, you give consent for your child to be included in photography, video, and/or audio recordings made during the Indigenous Australian School Program 2021. If you have any questions, or you wish to withdraw your consent at any time, please contact the IAES Coordinator at the address shown below. You further give permission for this media (including copies or adaptations in full or part), to be used by the University of Sydney, Engineering Aid Australia (EAA), and its sponsors (see engineeringaid.org/get-involved/sponsors-list) to promote the program and for related educational, marketing and publicity purposes. This includes through internal and external publications and via any medium such as radio, TV, video or internet. You give consent to EAA to identify your child by name in photographs used on its website or other EAA publications. However, no other personal information (including names) will be used in any other publications unless express consent is given. These consents are not required to participate in the program.

Parent/guardian signature: _____ Date: _____

Consent to release personal information

By signing below, you give consent for the University of Sydney to share details of your child's application, including their name and other personal information, with EAA and any representative of that organisation, for the purposes of administering the Indigenous Australian Engineering School Program and allow EAA and its sponsors to use this personal information to contact your child about scholarship, mentoring, work experience and work opportunities. This consent is not required to participate in the program.
